

Accessibility Statement for Great Missenden Parish Council

www.greatmissendenpc.co.uk

This website is run by Great Missenden Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:-

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader

We have also made the website text as simple as possible to understand.

AbilityNet has advice on making your device easier to use if you have a disability.

How accessible this website is

We know some parts of this website are not fully accessible:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify some of the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- live video streams do not have captions
- some of our online forms are difficult to navigate using just a keyboard
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify maps

What to do if you cannot access parts of this website

If you need information on this website in a different format please contact:-

- clerk@greatmissendenpc.co.uk
- Telephone: 01494 864792
- Visit: Parish Office, Link Road, Great Missenden, Bucks HP16 9AE

We will look into your request and get back to you in 5 days.

Technical information about this website's accessibility

Great Missenden Parish Council is committed to making its website accessible in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No.2) Accessibility Regulations 2018.

This website is currently partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the non-compliances listed below.

There may be pages with Read more / click here links. See WCAG 2.4 Success Criterion 4.4 (Link Purpose (In Context))

There may be some pages where there are stray end tags. See WCAG 2.1 success criterion 4.1.1 (Parsing).

Many of our older PDFs and Word documents don't meet accessibility standards - for example, they may not be structured so they're accessible to a screen reader. See WCAG 2.1 success criterion 4.1.2 (name, role value).

Some images on the website pages may not have a text alternative, so the information on them isn't available to people using a screen reader. See WCAG 2.1 success criterion 1.1.1 (non-text content). We plan to add text alternatives for all images by September 2020. When we publish new content, we'll make sure our use of images meets accessibility standards.

How we tested this website

This website was tested both manually and automatically prior to the writing of this statement. Manual tests are carried out regularly. This statement was prepared December 2019.
