

Agenda for the Planning Committee Meeting
Tuesday 2nd April 2024
At 7.30 pm in the Committee Room of the Memorial Hall,
Great Missenden

Also via Zoom: <https://us06web.zoom.us/j/84147106668?pwd=V2pj1PBCi7fzXtxhqH2QbLzMlaC8p3.1>

All members of the planning committee are hereby summoned to attend for the purpose of considering and resolving upon the business to transacted below.

Public Forum:

P2024/022 Apologies:

P2024/023 Declarations of Interest:

P2024/024 Minutes: Minutes of the meeting held on **Monday 4th March 2024** for signing.

P2024/025 Matters arising

1. **Station Approach - PL/21/0534/FA** – This application continues to be delayed due to the Chiltern Beechwoods SAC and The Red Lion development also runs alongside the Station Approach development Ref. No: PL/21/2198/FA. It is understood that discussions are still underway between the developers and Bucks Council with regards the SANG requirement. May 24 – in progress.

- 2.a. **Barn to South Of Peterley OS Field 7900 On East Side Of Missenden Road Great Kingshill Harji Manor Farm Missenden Road Prestwood Buckinghamshire HP16 0JN**
Conversion of existing barn and hardstanding into a residential dwelling house with garden curtilage. Ref. No: PL/22/3395/FA | Validated: Tue 25 Oct 2022 | Status: Registered. GMPC called-in the application 14 November 2022 because it is in the Green Belt & ANOB and logged an Enforcement case ES/22/00316/OPDEV. Mar 24 – no update.

- 2.b. **Peterley Corner Farm Wycombe Road Prestwood Buckinghamshire HP16 0HJ.** Variation of Condition 8 (Approved Plans) of Planning Permission CH/2017/2121/FA (Demolition of existing house and outbuildings, erection of replacement dwelling and detached carport) to allow for changes to carport (part retrospective). Ref. No: PL/22/3438/VRC | Validated: Mon 03 Oct 2022 | Status: Conditional Permission. Re. ES/22/00219/OPDEV – Development is ongoing. It is not a breach of planning control to store materials, such as topsoil from the development, on the land or adjacent land, erect a site hoarding or use a different (but pre-existing) access during the development of the site. However, BC are concerned that the access installed to the south is not temporary and will be investigating. After further research SR (as a resident) wrote on 4 March to Ms Penney voicing concern that the development of the bund had nothing to do with the spoil from the development of the new dwelling and because the development is on land formerly for equine use and has no permission for change of use. Additionally, any development that facilitates the joining up of the Kingshills with the Prestwood urban areas is a material basis for objection. Ms Penney's 5 March response disappointingly referred SR to 'report a further breach if you feel the situation has changed via the online form'. A response has been prepared for GMPC full council to approve and post to enforcement portal (attached).

3. **PL/22/2667/FA Orchard End, Greenlands Lane – oak tree and tree protection** – response from Bucks Council Arboriculture Team Leader to arrange a meeting regarding mitigation planting. On 15 January 2024 Bucks Council Arboriculture Team Leader requested a list of sites from the parish for the replacement of the oak tree and then a MS Teams meeting.

Following discussion of site locations and species of tree, it was proposed that Greenlands Lane and Kiln Road verges be suggested as sites for 6-8 replacement trees. It was also suggested, subject to full GMPC approval, that residents' support be sought. Following agreement at full council a list of site locations has been sent to Bucks Council.

4. **Wycombe Road** has been flagged by residents as a **traffic problem**. The forestry school PL/23/2095/FA is still undecided but when it is approved, this will only add to concerns. BC are aware but no funds have been forthcoming for traffic calming and a pedestrian crossing. Will Bucks Council issue a CIL notice to the forestry school developer. Road improvements may then come from the CIL.

Use of land as a **Forest School for outdoor recreation**, childcare and education, together with the provision of associated facilities, including yurt, polytunnel, 2 composting toilets, access pathway and fencing.

Land at Peterley Manor Farm Peterley Lane Prestwood Buckinghamshire HP16 0HH

Ref. No: PL/23/2095/FA | Validated: Thu 29 Jun 2023 | Status: **Conditional permission**

The planning committee proposed at the parish council meeting on 11 March that CIL money received from the development be used to install a pedestrian crossing on Wycombe Road. At the council meeting the clerk explained that the **council automatically receive 15% from eligible developments and that it is paid twice a year in April and September**.

5. **PL/20/2526/FH Annie Baileys continues in situ for now** - the Planning permission given to Ebetam Capital to demolish and erect a community rehabilitation centre expires on 22/04/2024. At this point any attempt at development will be unlawful and a new application will be required. Some clearance work has started round the back and a low loader trailer left in the car park. The good news is that now the TBMs have gone under Annie Baileys perhaps demolition can start.
6. **PL/24/0276/EU Land at Hyde End Sawmills, Chesham Road, Hyde End, HP16 ORD**
Proposal: Certificate of lawfulness for the existing use of the site for the parking and storage of vehicles and trailers (lorry backs) in connection with Clarks of Amersham.
The parish have received a resident comment following our submission on BC's planning portal, neutral and concerned about traffic. IL has submitted a draft (attached).
4. HS2 Notice for information (attached).

b) Buckinghamshire Council by Wednesday 26th March 2024 have submitted a series of outcomes of planning applications. See list below.

****ONLY DECISIONS THAT DIFFER FROM THE PLANNING COMMITTEE'S COMMENTS ARE LISTED****

1. PL/24/0150/FA | Demolition of existing conservatory and erection of new single storey side extension, partial conversion of existing garage and alterations to fenestration.

White Gables Moat Lane Prestwood Buckinghamshire HP16 9B

Conditional Permission

(Case Officer's Note: The concerns of the Parish Council are acknowledged as car parking has been assessed in the parking section of this report, however, it is considered that the changes to the garden are modest and would not significantly alter the existing car parking at the application site.)

2. PL/23/3484/FA PL23/3485/HB Alterations and extensions to the existing Grade II Listed Roald Dahl Museum buildings, demolition of existing office/residential building (4-6 Wheelers Yard) and construction of single storey front courtyard extension, link extension and single storey rear/side

extension, internal alterations including opening up and enclosing spaces, courtyard resurfacing and landscaping Location: **81 - 83 High Street and 4-6 Wheelers Yard, Great Missenden, Buckinghamshire, HP16 0ALP**

Comment: Great Missenden Parish Council does not object to this application but requests that it is called in due to the absence of a construction and traffic management plan so that the impact of the construction on the High Street can be considered fully.

Parking/highway implications

21. No change to the existing access arrangement is proposed to the museum or from Wheelers Yard from the highway. It is noted that the current residential parking area in Wheelers Yard is to be utilised for access for maintenance and deliveries as required and the vehicle tracking information provided has proved that adequate space is available to allow vehicles to enter and exit in forward gear.

22. The museum has no parking provision on site and will be unable to provide any as part of the proposals. The extension and redevelopment of the museum will likely increase footfall and visitor numbers to the museum. However, the site is located in close proximity to a number of public car parks, in addition to the railway station. It is also served by local bus routes. This means that the site is located in a relatively sustainable location and the additional visitor numbers can be provided for within the existing public transport and car parking network.

23. Notwithstanding the above, a Construction Traffic Management Plan detailing the management of construction traffic (including vehicle types, frequency of visits, expected daily time frames, use of a banksman, on-site loading/unloading arrangements and parking of site operatives vehicles) shall be submitted and approved in writing by the Planning Authority in consultation with the Highway Authority prior to work commencing.

Great Missenden Parish Council does not object to this application but requests that it is called in due to the absence of a construction and traffic management plan so that the impact of the construction on the High Page 2 of 7 PL/23/3485/HB 29.02.2024 Street can be considered fully. (Officer Note: As this is not strictly a material planning consideration, and other measures exist to control the impact on the highway during construction works, the request for a callin did not provide sufficient material planning reasons).
