

**Agenda for the Planning Committee Meeting**  
**Tuesday 7<sup>th</sup> May 2024**  
**At 7.30 pm in the Committee Room of the Memorial Hall,**  
**Great Missenden**

Also via Zoom: <https://us06web.zoom.us/j/84023422817?pwd=nnkjmDwWttVA6aawnw4fAtdsgxVc3D.1>

All members of the planning committee are hereby summoned to attend for the purpose of considering and resolving upon the business to transacted below.

**Public Forum:**

**P2024/029 Apologies:**

**P2024/030 Declarations of Interest:**

**P2024/031 Minutes:** Minutes of the meeting held on **Monday 2nd April 2024** for signing.

**P2024/032 Matters arising**

1. **Station Approach - PL/21/0534/FA** – This application continues to be delayed due to the Chiltern Beechwoods SAC and The Red Lion development also runs alongside the Station Approach development Ref. No: PL/21/2198/FA. It is understood that discussions are still underway between the developers and Bucks Council with regards the SANG requirement. The development of a SANG is still outstanding. The Parish Council agreed to write to Natural England for further information following a meeting with Paul Redstone, Head of Property – Investment & Development at Bucks Council - on 11 April 2024.
- 2.a. **Barn to South Of Peterley OS Field 7900 On East Side Of Missenden Road Great Kingshill Harji Manor Farm Missenden Road Prestwood Buckinghamshire HP16 0JN**  
Conversion of existing barn and hardstanding into a residential dwelling house with garden curtilage. Ref. No: PL/22/3395/FA | Validated: Tue 25 Oct 2022 | Status: Registered. GMPC called-in the application 14 November 2022 because it is in the Green Belt & ANOB and logged an Enforcement case ES/22/00316/OPDEV. Apr 24 – no update.
- 2.b. **Peterley Corner Farm Wycombe Road Prestwood Buckinghamshire HP16 0HJ.** Variation of Condition 8 (Approved Plans) of Planning Permission CH/2017/2121/FA (Demolition of existing house and outbuildings, erection of replacement dwelling and detached carport) to allow for changes to carport (part retrospective). Ref. No: PL/22/3438/VRC | Validated: Mon 03 Oct 2022 | Status: Conditional Permission. Re. ES/22/00219/OPDEV – Development is ongoing. It is not a breach of planning control to store materials, such as topsoil from the development, on the land or adjacent land, erect a site hoarding or use a different (but pre-existing) access during the development of the site. However, BC are concerned that the access installed to the south is not temporary and will be investigating. After further research SR (as a resident) wrote on 4 March to Ms Penney voicing concern that the development of the bund had nothing to do with the spoil from the development of the new dwelling and because the development is on land formerly for equine use and has no permission for change of use. Additionally, any development that facilitates the joining up of the Kingshills with the Prestwood urban areas is a material basis for objection. Ms Penney's 5 March response disappointingly referred SR to 'report a further breach if you feel the situation has changed via the online form'.  
Following a response from GMPC on 8 April Ms Penney writes that Enforcement will be opening a new case to re-investigate the matter, specifically to get an 'updated position'. She refers to the owner's being aware and to reviewing the matter only if the access become formal and the bunds remain in situ. A GMPC response to Ms Penney stating the council disagree with Bucks Council's judgement in this matter, and rather than an updated position, the parish would prefer answers to the points raised in our letter.

2. **PL/22/2667/FA Orchard End, Greenlands Lane – oak tree and tree protection** – response from BucksCouncil Arboriculture Team Leader to arrange a meeting regarding mitigation planting. On 15 January 2024 Bucks Council Arboriculture Team Leader requested a list of sites from the parish for the replacement of the oak tree and then a MS Teams meeting.

Following discussion of site locations and species of tree, it was proposed that Greenlands Lane and Kiln Road verges be suggested as sites for 6-8 replacement trees. It was also suggested, subject to full GMPC approval, that residents' support be sought. Following agreement at full council a list of site locations has been sent to Bucks Council. A chaser email was sent to Dave Roberts, BC Head of Highways, asking him to respond to points raised in the letter dated 25 October as the Arboriculturist lead had agreed to assist with replanting.

3. **Broombarn Lane verge** – during the development of **Cherry Trees** the owner carved up the lane verge and after contact with Planning and Highways contacting the owner this was to be reinstated. However, he has not complied and has gouged out even more of the verge clearly trying to create parking in the lane.

County Cllr Martin on 30 April reported that BC is looking at enforcement to put the Broombarn verge right.

**Broombarn Lane hedgerow** - The owner of **Ikoyi** continues to damage biodiversity on the lane by reducing the long established mixed hedgerow border within the green belt, down to a meaningless height, flaunting biodiversity conditions made unenforceable by Bucks Council.

Residents along Broombarn lane are very upset by these deliberate actions. CB suggested we call a meeting with the relevant Buck Council department leads and meet with them at the Parish Council to discuss?

4. **The Neighbours around 15 Rignall Road** have written to the Parish Council stating that they have become increasingly concerned about works at 15 Rignall Road over the last year: “The hedge at the front of the property and down the left side has been removed and a drive is now being constructed from the road, over the path and layby parking area down the left side of the garden to a cabin. The hedge is being replaced by panelling, but the drive being constructed runs along the bottom of three other properties. We don’t know if planning is necessary or has been granted, but we are all very concerned.”

**There are no contact details included with the handwritten letter.**

This is a planning authority matter. Following a search nothing was found on BC’s planning portal. From Google a picture of 15 Rignall Road (house number not shown)

b) Buckinghamshire Council by Tuesday 30<sup>th</sup> April 2024 have submitted a **series of outcomes** of planning applications. See list below.

**\*\*ONLY DECISIONS THAT DIFFER FROM THE PLANNING COMMITTEE'S COMMENTS ARE LISTED\*\***

1. Demolition of existing rear outbuildings, single storey rear extension, dormer roof extension to central area of house, replacement windows and doors, external side louvre, internal alterations including new openings, insulation, flooring and plastering  
**Buckingham House 77 High Street Great Missenden Buckinghamshire HP16 0AL**  
Ref. No: PL/21/3083/FA | Validated: Thu 23 Sep 2021 | Status: **Conditional Permission**  
PARISH COUNCIL  
Two representations received.  
One states: No objections.  
The second states: Parking and Highway conditions: our preliminary estimates prompted by parishioners concerns, are that the provision for parking for residents and visitors is hopelessly inadequate by reference to the overarching NPPF 107 a) through to e) and NPPF 110 a) through to d) and the latest Bucks County parking guide; and that Highways must seriously consider NPPF 111.  
Parking/Highway implications  
Case Officer comment: Parking/Highways implications  
21. The only parking available to the property is a single garage located in Bakery Mews and no other parking could be easily provided or accessed. However, no objections were previously raised regarding parking provision and consequently no new concerns arise.
2. Proposed new vehicular entrance / exit to site with gates and fences  
**The Gables Honor End Lane Prestwood Buckinghamshire HP16 9QY**  
Ref. No: PL/24/0211/FA | Validated: Wed 31 Jan 2024 | Status: **Conditional Permission**  
TOWN/PARISH COUNCIL  
Great Missenden Parish Council consulted and comments received on 12.03.2024 stating that:  
"No objection but we are concerned that there is a large loss of green space and a replacement with a large amount of hard standing."  
**Officer Note:** The laying of hardstanding, provided it is permeable or provision is made for surface water run off, can be undertaken under Permitted Development and without requiring full planning permission.
3. Continued use of marquee for 5 years  
**Missenden Abbey High Street Great Missenden Buckinghamshire HP16 0BD**  
Ref. No: PL/24/0387/FA | Validated: Thu 29 Feb 2024 | Status: **Conditional Permission**  
PARISH COUNCIL  
Great Missenden Parish Council does not object, but we endorse the sentiments of Chiltern Society.  
**OFFICER'S REPORT:**  
In this instance, there have been no relevant changes to the Development Plan or Core Strategy since the previous approval and the National Planning Policy Framework remains extant, albeit updated. Nonetheless, the core principles and relevant policies to this development remain the same. The Applicant has also submitted a Planning Statement and a Heritage Statement which both confirm that the availability of the marquee has enhanced the attraction of the Abbey as a wedding venue which in turn has made a significant contribution to the viability of the economy of the Abbey. *It is stated that functions held in the marquee account for approximately one third of the annual income of the Abbey and due to a lack of suitable facilities in the area. Use of the marquee has therefore made a significant contribution to the viability of the Abbey and the upkeep of the Listing building. It is therefore considered that the marquee is continuing to contribute to the long term viability of the Listed building, as was stated as being a key reason for the earlier applications being approved, and as was stated in Condition 1 of the previous permissions.*  
4. Taking into account the circumstances and details specified in the submitted supporting statements in addition to the physical circumstances of the site, it is therefore not considered that there have been any material changes to the site itself since the granting of the previous permissions in 2019, 2017 and

2015 to justify a different decision, and so no objections are raised in relation to the proposed development. The Heritage Officer has also confirmed that they continue to have no objections with regards to the proposal.

4. Removal of existing 6 foot feather edge wooden fence and building of new 6 foot feather edge fence along the rear garden side boundary (position of proposed new fence shown on site plan as red dotted line). **27 Honorwood Close Prestwood Buckinghamshire HP16 9HJ**  
Ref. No: PL/24/0585/SA | Validated: Wed 21 Feb 2024 | Status: **Refused**  
PARISH COUNCIL  
Great Missenden Parish Council, comments received on 09.04.2024 stating:  
"Objection, because this is public amenity land which the applicant is trying to fence in. By the fence relocation the intention is to enclose a piece of land alongside the rear garden. In this development there are open areas of amenity land to give a spacious feel. These spaces are owned by the resident but are not part of the curtilage and should not be enclosed".  
(Officer Note: *Normal planning issues cannot be considered for a Certificate of Lawfulness application, which is simply a legal determination as to whether planning permission is required.* )
5. The construction of a single storey timber clad detached outbuilding in rear garden  
**Blue Tiles Pankridge Drive Prestwood Buckinghamshire HP16 9BZ**  
Ref. No: PL/24/0631/FA | Validated: Mon 26 Feb 2024 | Status: **Conditional Permission**  
Officer comment: Adequate parking is provided within the plot, in accordance with the Buckinghamshire Parking Standards.  
*The parking standards do not require any additional parking for an outbuilding.*
