Great Missenden HP16 9AE

All members of the planning committee are hereby summoned to attend for the purpose of considering and resolving upon the business to transacted below.

Public Forum:

P2025/43 Apologies:

P2025/44 Declarations of Interest:

P2025/45 Minutes: Minutes of the meeting held on **Monday 2nd June 2025** for signing.

P2024/46 Matters arising

1. **Station Approach, Great Missenden - PL/21/0534/FA** – This application continues to be delayed due to the Chiltern Beechwoods SAC and associated Suitable Alternative Natural Greenspace (SANG) requirement, application PL/24/1909/FA. The Red Lion development also runs alongside the Station Approach development Ref. No: PL/21/2198/FA. The Chiltern Society and GMPC have objected to the SANG application and it was called in to the Planning Committee for a decision. The parish council have expressed an interest in managing the land in the future to Bucks Council. There are discussions between Peker Holdings and Network Rail to see if station approach access could be used even though the other application is not approved. Peker are also speaking to Bucks Council to maybe see if Halfway House SANG in Chesham might be appropriate for them to use.

2. **Neighbourhood Plan -Funding Withdrawn**

Following Friday's (20th June) announcement that the Government had withdrawn funding for Neighbourhood Plans, Dr James Derounian, SLCC Community Governance Module Tutor, and National Teaching Fellow, has launched a petition to reinstate support funding for community-led Neighbourhood Plans, led by the organisation, 'Locality'.

3. **Concrete Bollards** the owner of **Bowral House** has installed on the Highway verge - **Broombarn Lane**. Highways and Fix My Street informed but no action taken. Cllr Martin has reported that the bollards will be removed by the resident. A further message from Bucks Council asserts the concrete bollards on Broombarn Lane have been placed on private land. A Land Registry Title Plan of houses in the locality and the title boundary line of the land that is now owned by Bowral House appears to show clearly the highway verge is not privately owned for this plot of land. Cllr Martin is following up with Bucks Council.

4. **Thames Water (TW) sewerage infrastructure** -On 18th May Jake Morley from Thames Water met with CB, AH, ME and PM following concerns from GMPC regarding hyperstatic overload. Jake Morley advised regarding process for TW when contacted regarding planning for 10+ developments. CB has asked for infrastructure plans for GM and Prestwood, and also for information on any planned upgrades to the local system through this current AMP cycle. A chase up to TW has been made.

5. **Prestwood Motocross – behind Sprinters Gym - Honor End Lane, Prestwood - Prestwood Moto x park, a place for the motocross community to come together and enjoy practicing**

ES/25/00177/COU enforcement case is logged with Bucks Council. It was logged by a resident last year and is active. Email complaints have also been received by the parish council about noise. Cllr Peter Martin is following the enforcement up to see if the correct licences, insurance and permissions are in place.

- b) Buckinghamshire Council by **Wednesday 25th June 2025** as have submitted a **series of outcomes** of planning applications. See list below.
****ONLY DECISIONS OF INTEREST LISTED ****
 1. PL/25/1029/FA | Construction of single storey side/rear extension, infill extension to second floor front, fenestration and external alterations
18 Elmtree Green Great Missenden Buckinghamshire HP16 9AF
PARISH: "No objection". However, would like to note that surface water run-off is a problem in this low-lying point in the village and request that this is considered in this development
CASE OFFICER: Is the proposed development in a flood risk area? **No Risk of flooding from surface water 2025.**
 2. PL/25/1038/FA | Demolition of two existing outbuildings and replacement with a single storey garden room
Hampden View Broomfield Hill Great Missenden Buckinghamshire HP16 9PD
PARISH – Neutral - But GMPC supports local biodiversity, both flora and fauna being our priorities. Development encroaches on biodiversity significantly, and we request that, where development takes place, that a biodiversity net gain is applied. Our approach to development and/or land management aims to leave the natural environment in a measurably better state than it was beforehand. The Council initiatives support the replacement of felled trees and hedges taken down and the erection of bird and bat boxes
CASE OFFICER: In this case, the outbuilding is small and subordinate in scale to the original dwelling and therefore complies with Green Belt policy. The proposed outbuilding will replace two small existing outbuildings. In relation to increase in size is not considered to be materially large than the buildings it replaces. It is considered to be small scale in relation to the size of the dwelling and curtilage. It is therefore considered to be acceptable under Green Belt policy.
Does the proposal impact on biodiversity and green infrastructure? **No**
